Re: California Public Records Act Request

Dear Mr. Hirschberg,

This letter responds to your April 8, 2019 California Public Records Act ("CPRA") request to the Office of the Mayor of Los Angeles ("Office") seeking the following records for the time period of January 1, 2017 through April 8, 2019:

- "All correspondence between anyone employed in the Mayor's Office or Mayor Eric Garcetti (hereafter called the Mayor's Office) and anyone working or studying at Loyola Marymount University as well as their Study LA center"; and
- "[E]-mails, text messages, chat logs, etc with the keywords or to 'Study LA,' 'Fernando Guerra,' 'The Thomas and Dorothy Leavey Center for the Study of Los Angeles,' 'Brienne Gilbert,' and 'Mariya Vizireanu'" ("Request").

Enclosed, please find records responsive to your Request.

Please be advised that this Office declined to produce any records that fall into any of the following, well-established exemptions to the CPRA: (i) records whose disclosure would constitute an unwanted invasion of personal privacy, and may be withheld under Government Code §§ 6254(c), 6254.3, and/or 6254.20; (ii) records that are pre-decisional and advisory in nature and may be withheld pursuant to the deliberative process privilege pursuant to Government Code § 6255; and (iii) records for which the public interest served by withholding the records clearly outweighs the public interest served by disclosure, and may be withheld pursuant to Government Code § 6255.

Due to the volume of your Request, we will continue to produce documents on a rolling basis until we have completed our production. We estimate that we will produce the next set of responsive records on or before June 12, 2019. If it appears that our estimate is not workable, you will be notified in writing.

Please contact me with any additional questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Skyler Gray", written in a cursive style.
